

Easy lover

Easy lover
Shell get a hold on you believe it
Like no other
Before you know it youll be on your knees
Shes an easy lover
Shell take your heart but you wont feel it
Shes like no other
And Im just trying to make you see

Shes the kind of girl you dream of
Dream of keeping hold of
Youd better forget it
Youll never get it
She will play around and leave you
Leave you and deceive you
Better forget it
Oh youll regret it

No youll never change her, so leave it, leave it
Get out quick cos seeing is believing
Its the only way
Youll ever know

Easy lover
Shell get a hold on you believe it
Like no other
Before you know it youll be on your knees
Shes an easy lover
Shell take your heart but you wont feel it
Shes like no other
And Im just trying to make you see

Youre the one that wants to hold her
Hold her and control her
Youd better forget it
Youll never get it
For shell say theres no other
Till she finds another
Better forget it
Oh youll regret it

And dont try to change her, just leave it, leave it
Youre not the only one, ooh seeing is believing
Its the only way
Youll ever know, oh

No dont try to change her, just leave it, leave it
Youre not the only one, ooh seeing is believing

Its the only way
Youll ever know, oh
