

## Something happened on the way to Heaven

We had our life, we had our love  
But you don't know what you've got till you lose it  
Well, that was then and this is now  
And I want you back  
How many times can I say, I'm sorry  
Yes, I'm sorry

How can something so good go so bad  
How can something so right go so wrong  
I don't know, I don't have all the answers  
And I want you back  
How many times can I say, I'm sorry

Well, you know you can run and you can hide  
But I'm not leaving unless you come with me  
We've had our problems but I'm on your side  
You're all that I need, please believe in me

I only wanted someone to love  
But something happened on the way to Heaven  
It got a hold of me, and wouldn't let go  
I want you back, how many times can I say, I'm sorry  
Yes, I'm sorry

Well, you know you can run and you can hide  
But I'm not leaving unless you come with me  
We've had our problems but I'm on your side  
You're all that I need, please believe me

Well you know you can run and you can hide  
But I'm not leaving until it's all over  
We've had our problems but I'm on your side  
You're all that I need, let me show you

They say, you can't take it with you when you go  
I don't believe it, taking what I've got or being here with you  
You know I, I'd rather leave it

Well you know you can run and you can hide  
But I'm not leaving unless you come with me  
We've had our problems but I'm on your side  
You're all that I need, please believe me
