

Against all odds

How can I just let you walk away,
just let you leave without a trace
When I stand here taking every breath with you, ooh
You're the only one who really knew me at all

How can you just walk away from me,
when all I can do is watch you leave
'cause we've shared the laughter and the pain
and even shared the tears
You're the only one who really knew me at all

So take a look at me now,
oh there's just an empty space
And there's nothing left here to remind me,
just the memory of your face
Ooh take a look at me now,
well there's just an empty space
And you coming back to me is against all odds
and that's what I've got to face

I wish I could just make you turn around,
turn around and see me cry
There's so much I need to say to you,
so many reasons why
You're the only one who really knew me at all

So take a look at me now,
well there's just an empty space
And there's nothing left here to remind me,
just the memory of your face
Now take a look at me now,
'cause there's just an empty space
But to wait for you, is all I can do
and that's what I've got to face

Take a good look at me now,
cos I'll still be standing here
And you coming back to me is against all odds
It's the chance I've gotta take

Take a look at me now

Baby I love your way

Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away from the city but don't hesitate
'Cause your love just won't wait hey
Ooh baby I love your way every day
Wanna tell you I love your way every day
Wanna be with you night and day

Moon appears to shine and light the sky
With the help of some fireflies
I wonder how they have the power shine shine shine
I can see them under the pines
But don't hesitate 'cause your love won't wait hey
Ooh baby I love your way every day
Wanna tell you I love your way every day
Wanna be with you night and day uh yeah

But don't hesitate 'cause your love won't wait
I can see the sunset in your eyes
Brown and grey and blue besides
Clouds are stalking islands in the sun
Wish I could dry one out of season
But don't hesitate 'cause your love just won't wait hey
Ooh baby I love your way every day
Wanna tell you I love your way uhhh
Wanna be with you night and day
Ooh baby I love your way every day
Wanna tell you I love your way uhhh
Wanna be with you night and day

Baila Morena

It blows my mind now that I found you
Deep in the night of tequila boom boom
Slide by me, sexy thing, sexy and fine
I got my eyes on you all of the time.....yeah
You've got to have chaos burnin' in you
To make you open like a flower in bloom
Hell lives inside you next to paradise
The moon and sun have come to watch your shine

Baby, the night is on fire
Yea, we're flames in the sky
Flashin' through the night.....what you say?

Baila, baila morena
Sotto questa luna piena
Under the moonlight
Under the moonlight

Go chica, go cocca keep it all shakin'
You know tonight somethin's up for the takin'
My heart is gold, heart of a saint
With you beside me girl, oh, then I ain't

Baby, the night is on fire
Yea, we're flames in the sky
A scandal in the night.....what you say?

Baila, baila morena
Sotto questa luna piena
Under the moonlight

Baila, under the moonlight
Sotto questa luna piena
Baila morena.....yeah yeah yeah

You got me hurtin' so bad, so bad
I got to have it, so bad

Baila, baila morena
Sotto questa luna piena
Under the moonlight

Daila, under the moonlight
Sotto questa luna piena
Daila morena

Sotto questa luna piena

Sotto questa luna piena
Sotto questa luna piena

Under the moonlight.

Blame it on the boogie

My baby's always dancin'
And it wouldn't be a bad thing
But I don't get no loving
And that's no lie

We spent the night in Frisco
At every kind of disco
From that night I kissed
Our love goodbye

Chorus:
Don't blame it on sunshine
Don't blame it on moonlight
Don't blame it on good times
Blame it on the boogie

Don't blame it on sunshine
Don't blame it on moonlight
Don't blame it on good times
Blame it on the boogie

The nasty boogie bugs me
But somehow it has drugged me
Spellbound rhythm get me
On my feet

I've changed my life completely
I've seen the lightning leave me
My baby just can't take
Her eyes off me

Chorus:
Don't blame it on sunshine
Don't blame it on moonlight
Don't blame it on good times
Blame it on the boogie

Don't blame it on sunshine
Don't blame it on moonlight
Don't blame it on good times
Blame it on the boogie

I just can't
I just can't
I just can't control my feet

I just can't

I just can't
I just can't control my feet

Chorus:
Don't blame it on sunshine
Don't blame it on moonlight
Don't blame it on good times
Blame it on the boogie

Don't blame it on sunshine
Don't blame it on moonlight
Don't blame it on good times
Blame it on the boogie

The magic music grooves me
The dirty rhythm moves me
The devil's gotten to me
Through his dance

I'm full of funky fever
And fire burns inside me
Boogies got me in a
Super trance

Chorus:
Don't blame it on sunshine
Don't blame it on moonlight
Don't blame it on good times
Blame it on the boogie

Don't blame it on sunshine
Don't blame it on moonlight
Don't blame it on good times
Blame it on the boogie

Sunshine
Moonlight
Goodtimes
Boogie

Sunshine
Moonlight
Goodtimes
Boogie

Don't you blame it
You just got to
You just want to
Yea-
Blame it on yourself

Ain't nobody's fault
But yours and that boogie
Dancin' all night long

Yours and that boogie
Ain't nobody's fault
But yours
Dancin' all night long

Can't take my eyes off of you

Ha ha ha a a a

Ha ha ha a a a

You're just too good to be true
I can't take my eyes off of you
You'd be like heaven to touch
Oh, I wanna hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
I can't take my eyes off of you

I love you baby, and if it's quite all right
I need you baby, you warm a lonely night
I love you baby. Trust in me when I say
Oh pretty baby, don't let me down I pray
Oh pretty baby, now that I found you, stay
And let me love you, baby let me love you

You're just too good to be true
I can't take my eyes off of you
You'd be like heaven to touch
Oh, I wanna hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
I can't take my eyes off of you

I love you baby, and if it's quite all right
I need you baby, you warm a lonely night
I love you baby. Trust in me when I say
I love you baby, and if it's quite all right
I need you baby, you warm a lonely night
I love you baby. Trust in me when I say

Bada bada bada dadada da

Bada bada bada dadada da

Bada bada bada dadada da

.....

I love you baby, and if it's quite all right
I need you baby, you warm a lonely night
I love you baby. Trust in me when I say
I love you baby, and if it's quite all right
I need you baby, you warm a lonely night
I love you baby. Trust in me when I say

Careless whispers

I feel so unsure as I take your hand and lead you to the dance floor.
As the music dies something in your eyes
Calls to mind a silver screen and you're its sad goodbye.
I'm never gonna dance again
guilty feet have got no rhythm

Though it's easy to pretend
I know you're not a fool.
I should have known better than to cheat a friend

And waste a chance that I've been given.
So I'm never gonna dance again
the way I danced with you.
Time can never mend the careless whispers of a good friend.
To the heart and mind ignorance is kind.
There's no comfort in the truth
pain is all you'll find.
I'm never gonna dance again
guilty feet have got no rhythm

...

Never without your love.
Tonight the music seems so loud
I wish that we could lose this crowd.
Maybe it's better this way

We'd hurt each other with the things we want to say.
We could have been so good together

We could have lived this dance forever

But now who's gonna dance with me? - Please stay.
And I'm never gonna dance again
guilty feet have got no rhythm

...

No dance
no dance
no dance
you're gone - no dance
you're gone.
This matter is so wrong
so wrong
that you had to leave me alone.

Every breath you take

Every breath you take
Every move you make
Every bond you break
Every step you take
Ill be watching you

Every single day
Every word you say
Every game you play
Every night you stay
Ill be watching you

Oh, cant you see
You belong to me
How my poor heart aches
With every step you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
Ill be watching you

Since youve gone I been lost without a trace
I dream at night I can only see your face
I look around but its you I cant replace
I feel so cold and I long for your embrace
I keep crying baby, baby, please...

Oh, cant you see
You belong to me
How my poor heart aches
With every breath you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
Ill be watching you

Every move you make
Every step you take
Ill be watching you

Ill be watching you
Ill be watching you
Ill be watching you
Ill be watching you...

Every little thing she does is magic

Though Ive tried before to tell her
Of the feelings I have for her in my heart
Every time that I come near her
I just lose my nerve
As Ive done from the start

Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on

Do I have to tell the story
Of a thousand rainy days since we first met
Its a big enough umbrella
But its always me that ends up getting wet

Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on

I resolve to call her up a thousand times a day
And ask her if shell marry me in some old fashioned way
But my silent fears have gripped me
Long before I reach the phone
Long before my tongue has tripped me
Must I always be alone?

Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on

Hold the line

It's not in the way that you hold me
It's not in the way you say you care
It's not in the way you've been treating my friends
It's not in the way that you'll stay till the end
It's not in the way you look or the things that you say that you do

Hold the line
Love isn't always on time

It's not in the words that you told me
It's not in the way you say you're mine
It's not in the way that you came back to me
It's not in the way that your love set me free
It's not in the way you look or the things that you say that you do

Hold the line
Love isn't always on time

It's not in the words that you told me
It's not in the way you say you're mine
It's not in the way that you came back to me
It's not in the way that your love set me free
It's not in the way you look or the things that you say that you do

Hold the line
Love isn't always on time

It's not in the way that you hold me
It's not in the way that you make me feel
You see
It's all about the way you do the things you do
The way you do it
You've got to hold it
Hold it

Hold the line
Love isn't always on time

I feel good

Whoa-oa-oa! I feel good, I knew that I would, now
I feel good, I knew that I would, now
So good, so good, I got you

Whoa! I feel nice, like sugar and spice
I feel nice, like sugar and spice
So nice, so nice, I got you

{ sax, two licks to bridge }

When I hold you in my arms
I know that I can't do no wrong
and when I hold you in my arms
My love won't do you no harm

and I feel nice, like sugar and spice
I feel nice, like sugar and spice
So nice, so nice, I got you

{ sax, two licks to bridge }

When I hold you in my arms
I know that I can't do no wrong
and when I hold you in my arms
My love can't do me no harm

and I feel nice, like sugar and spice
I feel nice, like sugar and spice
So nice, so nice, I got you

Whoa! I feel good, I knew that I would, now
I feel good, I knew that I would
So good, so good, I got you
So good, so good, I got you
So good, so good, I got you
HEY!!

I'm still standing

You could never know what its like
Your blood like winter freezes just like ice
And theres a cold lonely light that shines from you
Youll wind up like the wreck you hide behind that mask you use

And did you think this fool could never win
Well look at me, Im coming back again
I got a taste of love in a simple way
And if you need to know while Im still standing you just fade away

Dont you know Im still standing better than I ever did
Looking like a true survivor, feeling like a little kid
Im still standing after all this time
Picking up the pieces of my life without you on my mind

Im still standing yeah yeah yeah
Im still standing yeah yeah yeah

Once I never could hope to win
You starting down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus youd be a clown by now

Imagine

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today...

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people
Living life in peace...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

Isn't she lovely

Isn't she lovely
Isn't she wonderful
Isn't she precious
Less than one minute old
I never thought through love we'd be
Making one as lovely as she
But isn't she lovely made from love

Isn't she pretty
Truly the angel's best
Boy, I'm so happy
We have been heaven blessed
I can't believe what God has done
Through us he's given life to one
But isn't she lovely made from love

Isn't she lovely
Life and love are the same
Life is Aisha
The meaning of her name
Londie, it could have not been done
Without you who conceived the one
That's so very lovely made from love

Jump

I get up, and nothing gets me down.
You got it tough. I've seen the toughest around.
And I know, baby, just how you feel.
You've got to roll with the punches to get to what's real
Oh can't you see me standing here,
I've got my back against the record machine
I ain't the worst that you've seen.
Oh can't you see what I mean ?
Might as well jump. Jump !
Might as well jump.
Go ahead, jump. Jump !
Go ahead, jump.
Aaa-ohh Hey you ! Who said that ?
Baby how you been ?
You say you don't know, you won't know
until we begin.
Well can't you see me standing here,
I've got my back against the record machine
I ain't the worst that you've seen.
Oh can't you see what I mean ?
Might as well jump. Jump !
Go ahead, jump.
Might as well jump. Jump !
Go ahead, jump.
(guitar solo)
(keyboard solo)
Might as well jump. Jump !
Go ahead, jump.
Get it and jump. Jump !
Go ahead, jump.

Just a Gigolo

I'm just a gigolo and ev'rywhere I go
People know the bar I'm playing
Pay for every dance selling each romance
Ooh, I could say

(chorus)
There would come a day when news will pass away
What could they say about me
When the end comes I know
There were just the gigolos
Right cuz I'm without me

I'm just a gigolo everywhere I go
People know the butt it's playing
Pay for every dance selling each romance
Ooh, I could say

(chorus)
Cuz I ain't got nobody
Nobody cares for me, nobody, nobody cares for me
I'm so sad and lonely
Sad and lonely, sad and lonely
Won't some sweet mama come and take a chance with me
Cuz I ain't so bad
Sad and lonesome all the time
Even on the beat, on the, on the beat
I ain't got nobody
Nobody cares for me, nobody, nobody

Really ain't got nobody, sad and lonesome
Baby need love

I, I, I, ain't got nobody
Nobody, nobody cares for me, nobody, nobody
I'm so sad and lonely, sad and lonely
Won't some sweet mama come and take a chance with me
Cuz I ain't so bad
Really want that soul, little loving soul all the time
Even on the beat, cherry, cherry on the beat
Need a long tall darling, mama
Feeling sick
Got nobody, no, nobody, nobody
Nobody, nobody, no one, no one

Loopey loop, darling, darling
Getting serious, got to see the walls
Over there. nobody, got no one, nobody
Nobody, nobody, nobody
Nobody, nobody cares for me

Karma chameleon

Desert loving in your eyes all the way
If I listen to your lies would you say
Im a man without conviction
Im a man who doesnt know
How to sell a contradiction
You come and go
You come and go

Karma karma karma karma karma chameleon
You come and go
You come and go
Loving would be easy if your colors were like my dream
Red, gold and green
Red, gold and green

Didnt hear your wicked words every day
And you used to be so sweet I heard you say
That my love was an addiction
When we cling our love is strong
When you go youre gone forever
You string along
You string along

Every day is like a survival
Youre my lover not my rival
Every day is like a survival
Youre my lover not my rival

Im a man without conviction
Im a man who doesnt know
How to sell a contradiction
You come and go
You come and go

Let it be

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom, let it be.
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom, let it be.
Let it be, let it be.
Whisper words of wisdom, let it be.

And when the broken hearted people
Living in the world agree,
There will be an answer, let it be.
For though they may be parted there is
Still a chance that they will see
There will be an answer, let it be.
Let it be, let it be. Yeah
There will be an answer, let it be.

And when the night is cloudy,
There is still a light that shines on me,
Shine on until tomorrow, let it be.
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom, let it be.
Let it be, let it be.
There will be an answer, let it be.
Let it be, let it be,
Whisper words of wisdom, let it be

Long train running

Down around the corner half a mile from here
see them both feet run and you watch them disappear

without love where would you be now
without love

though i saw miss lucy down along the track
she lost her home and her family and she won't be coming back

without love where would you be now
without love

with the feeling always central and the southern central freight
you got to keep on pushing mamma you know there running late

without love where would you be now
without love

when the pistons keep on turning and go round and round
and the steel reels are cold and hard and the mountain ain't no down

without love where would you be now
without love

Love is in the air

Love is in the air
Everywhere I look around
Love is in the air
Every sight and every sound

And I don't know if I'm being foolish
Don't know if I'm being wise
But it's something that I must believe in
And it's there when I look in your eyes

Love is in the air
In the whisper of the trees
Love is in the air
In the thunder of the sea

And I don't know if I'm just dreaming
Don't know if I feel sane
But it's something that I must believe in
And it's there when you call out my name

(Chorus)
Love is in the air
Love is in the air
Oh oh oh
Oh oh oh

Love is in the air
In the rising of the sun
Love is in the air
When the day is nearly done

And I don't know if you're an illusion
Don't know if I see it true
But you're something that I must believe in
And you're there when I reach out for you

Love is in the air
Every sight and every sound
And I don't know if I'm being foolish
Don't know if I'm being wise

But it's something that I must believe in
And it's there when I look in your eyes

(Repeat Chorus 4X)

Original sin

You might know of the original sin
And you might know how to play with fire
But did you know of the murder committed
In the name of love - yeah
You thought what a pity

Dream on white boy
Dream on black girl
And wake up to a brand new day
To find your dreams have washed away

There was a time when I did not care
And there was a time when the facts did stare
There is a dream and it's held by many
Well I'm sure you had to see
It's open arms

Dream on white boy
Dream on black girl
And wake up to a brand new day
To find your dreams have washed away

You might know of the original sin
And you might know how to play with fire
But did you know of the murder committed
In the name of love - yeah
You thought what a pity

Dream on white boy
Dream on black girl
Then wake up to a brand new day

Dream on black boy
Dream on white girl
And waked up to a brand new day
To find your dreams have washed away

Dream on black boy
Dream on white girl
And wake up to a brand new day
To find your dreams are washed away

Dream on, play with fire
White boy, black girl
Dream on, in the name of love
Black boy, white girl

Dream on, white boy, black girl
Black boy, white girl

Dream on, the name of love - yeah
You thought what a pity
Original Sin

Pretty woman

Pretty woman, walking down the street
Pretty woman, the kind I like to meet
Pretty woman
I don't believe you, you're not the truth
No one could look as good as you
Mercy

Pretty woman, won't you pardon me
Pretty woman, I couldn't help see
Pretty woman
That you look lovely as can be
Are you lonely just like me
Wow

Pretty woman, stop a while
Pretty woman, talk a while
Pretty woman, gave your smile to me
Pretty woman, yeah yeah yeah
Pretty woman, look my way
Pretty woman, say you'll stay with me
'Cause I need you, I'll treat you right
Come with me baby, be mine tonight

Pretty woman, don't walk on by
Pretty woman, make me cry
Pretty woman, don't walk away, hey...okay
If that's the way it must be, okay
I guess I'll go on home, it's late
There'll be tomorrow night, but wait
What do I see
Is she walking back to me
Yeah, she's walking back to me
Oh, oh, Pretty woman

Raining again

Oh, it's raining again
Oh no, my love's at an end.
Oh no, it's raining again
and you know it's hard to pretend.
Oh no, it's raining again
Too bad I'm losing a friend.
Oh no, it's raining again
Oh, will my heart never mend.

You're old enough some people say
To read the signs and walk away.
It's only time that heals the pain
And makes the sun come out again.
It's raining again
Oh no, my love's at an end.
Oh no, it's raining again
Too bad I'm losing a friend.

La, la, la, ...

C'mon you little fighter
No need to get uptighter
C'mon you little fighter
And get back up again.

It's raining again
Oh no, my love's at an end.
Oh no, it's raining again
Too bad I'm losing a friend.
Oh!Oh!

La, la, la, ...

C'mon you little fighter
No need to get uptighter
C'mon you little fighter
And get back up again
Oh, get back up again
Oh, fill your heart again ...

(It's raining, it's pouring)
(The old man is snoring)
(He went to bed and bumped his head)
(And he couldn't get up in the
morning)

Roxanne

Roxanne
You don't have to put on the red light
Those days are over
You don't have to sell your body to the night

Roxanne
You don't have to wear that dress tonight
Walk the streets for money
You don't care if it's wrong or if it's right

Roxanne
You don't have to put on the red light

I loved you since I knew you
I wouldn't talk down to you
I have to tell you just how I feel
I won't share you with another boy
I know my mind is made up
So put away your make up
Told you once I won't tell you again
It's a bad way

Roxanne
You don't have to put on the red light
Roxanne
You don't have to put on the red light

September

Do you remember the
21st night of September?
Love was changing the minds of pretenders
While chasing the clouds away

Our hearts were ringing
In the key that our souls were singing.
As we danced in the night,
Remember how the stars stole the night away

Ba de ya - say do you remember
Ba de ya - dancing in September
Ba de ya - never was a cloudy day

My thoughts are with you
Holding hands with your heart to see you
Only blue talk and love,
Remember how we knew love was here to stay

Now December found the love that we shared in September.
Only blue talk and love,
Remember the true love we share today

Ba de ya - say do you remember
Ba de ya - dancing in September
Ba de ya - never was a cloudy day

Ba de ya - say do you remember
Ba de ya - dancing in September
Ba de ya - golden dreams were shiny days

Set them free

If you need somebody, call my name
If you want someone, you can do the same
If you want to keep something precious
You got to lock it up and throw away the key
If you want to hold onto your possession
Don't even think about me

If you love somebody, set them free

If it's a mirror you want, just look into my eyes
Or a whipping boy, someone to despise
Or a prisoner in the dark
Tied up in chains you just can't see
Or a beast in a gilded cage
That's all some people ever want to be

If you love somebody, set them free

You can't control an independent heart
Can't tear the one you love apart
Forever conditioned to believe that we can't live
We can't live here and be happy with less
So many riches, so many souls
Everything we see we want to possess

If you need somebody, call my name
If you want someone, you can do the same
If you want to keep something precious
You got to lock it up and throw away the key
If you want to hold onto your possession
Don't even think about me

If you love somebody, set them free

Something got me started

Something got me started
You know that I will love you
Lately since we parted
I truly know that I need you

I'd give it all up for you
(Yes I would)

Totally broken-hearted
Guilty of what I did to you
Lately since we parted
I truly know that I need you

I'd give it all up for you
(Yes I would)

You've got to help me, help me, help me

Something happened on the way to Heaven

We had our life, we had our love
But you don't know what you've got till you lose it
Well, that was then and this is now
And I want you back
How many times can I say, I'm sorry
Yes, I'm sorry

How can something so good go so bad
How can something so right go so wrong
I don't know, I don't have all the answers
And I want you back
How many times can I say, I'm sorry

Well, you know you can run and you can hide
But I'm not leaving unless you come with me
We've had our problems but I'm on your side
You're all that I need, please believe in me

I only wanted someone to love
But something happened on the way to Heaven
It got a hold of me, and wouldn't let go
I want you back, how many times can I say, I'm sorry
Yes, I'm sorry

Well, you know you can run and you can hide
But I'm not leaving unless you come with me
We've had our problems but I'm on your side
You're all that I need, please believe me

Well you know you can run and you can hide
But I'm not leaving until it's all over
We've had our problems but I'm on your side
You're all that I need, let me show you

They say, you can't take it with you when you go
I don't believe it, taking what I've got or being here with you
You know I, I'd rather leave it

Well you know you can run and you can hide
But I'm not leaving unless you come with me
We've had our problems but I'm on your side
You're all that I need, please believe me

Sorry seems to be the hardest word

What have I got to do to make you love me
What have I got to do to make you care
What do I do when lightning strikes me
And I wake to find that you're not there

What do I do to make you want me
What have I got to do to be heard
What do I say when it's all over
And sorry seems to be the hardest word

It's sad, so sad
It's a sad, sad situation
And it's getting more and more absurd
It's sad, so sad
Why can't we talk it over
Oh it seems to me
That sorry seems to be the hardest word

What do I do to make you love me
What have I got to do to be heard
What do I do when lightning strikes me
What have I got to do
What have I got to do
When sorry seems to be the hardest word

Stayin' alive

Well, you can tell by the way I use my walk,
I'm a woman's man: no time to talk.
Music loud and women warm, I've been kicked around
since I was born.
And now it's all right. It's OK.
And you may look the other way.
We can try to understand
the New York Time's effect on man.

Whether you're a brother or whether you're a mother,
you're stayin' alive, stayin' alive.
Feel the city breakin' and everybody shakin',
and we're stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive.

Well now, I get low and I get high,
and if I can't get either, I really try.
Got the wings of heaven on my shoes.
I'm a dancin' man and I just can't lose.
You know it's all right. It's OK.
I'll live to see another day.
We can try to understand
the New York Time's effect on man.

Whether you're a brother or whether you're a mother,
you're stayin' alive, stayin' alive.
Feel the city breakin' and everybody shakin',
and we're stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive.

Life goin' nowhere. Somebody help me.
Somebody help me, yeah.
Life goin' nowhere. Somebody help me.
Somebody help me yeah. Stayin' alive.

Well, you can tell by the way I use my walk,
I'm a woman's man: no time to talk.
Music loud and women warm, I've been kicked around
since I was born.
And now it's all right. It's OK.
And you may look the other way.
We can try to understand
the New York Time's effect on man.

Whether you're a brother or whether you're a mother,

you're stayin' alive, stayin' alive.
Feel the city breakin' and everybody shakin',
and we're stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive.

Life goin' nowhere. Somebody help me.
Somebody help me, yeah.
Life goin' nowhere. Somebody help me yeah.
I'm Stayin' alive.

Still got the blues

Use to be so easy
To give my heart away
But I found that the haertache
was the price you have to pay
I found that that love is no friend of mine
I should have know'n time after time

So long
it was so long ago
But I've still got the blues for you

Use to be so easy
Fall in love again
But I found that the heartache
It's a roll that leeds to pain
I found that love is more than just a game
Play and to win
but you loose just the same

So long
it was so long ago
But I've still got the blues for you

So many years since I seal you face
You will my heart
there's an emty space
Used to be

(SOLO)

So long
it was so long ago
But I've still got the blues for you

Golden days come and go
There is one thing I know
I've still got the blues for you

Superstition

Very superstitious, writing's on the wall,
Very superstitious, ladders bout' to fall,
Thirteen month old baby, broke the lookin' glass
Seven years of bad luck, the good things in your past.

CHORUS:

When you believe in things that you don't understand,
Then you suffer,
Superstition ain't the way

Very superstitious, wash your face and hands,
Rid me of the problem, do all that you can,
Keep me in a daydream, keep me goin' strong,
You don't wanna save me, sad is my song.

CHORUS:

When you believe in things that you don't understand,
Then you suffer,
Superstition ain't the way, yeh, yeh.

Very superstitious, nothin' more to say,
Very superstitious, the devil's on his way,
Thirteen month old baby, broke the lookin' glass,
Seven years of bad luck, good things in your past

When you believe in things that you don't understand,
Then you suffer,
Superstition ain't the way, no, no, no.

Sussudio

There's this girl that's been on my mind
All the time, Sussudio oh oh
Now she don't even know my name
But I think she likes me just the same
Sussudio oh oh

Oh if she called me I'd be there
I'd come running anywhere
She's all I need, all my life
I feel so good if I just say the word
Sussudio, just say the word
Oh Sussudio

Now I know that I'm too young
My love has just begun
Sussudio oh oh
Ooh give me a chance, give me a sign
I'll show her anytime
Sussudio oh oh

Ah, I've just got to have her, have her now
I've got to get closer but I don't know how
She makes me nervous and makes me scared
But I feel so good if I just say the word
Sussudio just say the word
Oh Sussudio, oh

Ah, she's all I need all of my life
I feel so good if I just say the word
Sussudio I just say the word
Oh Sussudio I just say the word
Oh Sussudio I'll say the word
Sussudio oh oh oh
Just say the word

Sway

When marimba rhythms start to play
Dance with me, make me sway
Like a lazy ocean hugs the shore
Hold me close, sway me more

Like a flower bending in the breeze
Bend with me, sway with ease
When we dance you have a way with me
Stay with me, sway with me

Other dancers may be on the floor
Dear, but my eyes will see only you
Only you have the magic technique
When we sway I go weak

I can hear the sounds of violins
Long before it begins
Make me thrill as only you know how
Sway me smooth, sway me now

Other dancers may be on the floor
Dear, but my eyes will see only you
Only you have the magic technique
When we sway I go weak

I can hear the sounds of violins
Long before it begins
Make me thrill as only you know how
Sway me smooth, sway me now
You know how
Sway me smooth, sway me now

Take on me

We're talking away
I don't know what
I'm to say I'll say it anyway
Today's another day to find you
Shying away
I'll be coming for your love, OK?

Take on me, take me on
I'll be gone
In a day or two

So needless to say
I'm odds and ends
But that's me stumbling away
Slowly learning that life is OK.
Say after me
It's no better to be safe than sorry

Take on me, take me on
I'll be gone
In a day or two

Oh the things that you say
Is it life or
Just a play my worries away
You're all the things I've got to
remember
You're shying away
I'll be coming for you anyway

Take on me, take me on
I'll be gone
In a day or two

The eye of the tiger

Risin' up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive

So many times, it happens too fast
You change your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

Chorus:

It's the eye of the tiger, it's the cream of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all in the eye of the tiger

Face to face, out in the heat
Hangin' tough, stayin' hungry
They stack the odds 'til we take to the street
For we kill with the skill to survive

chorus

Risin' up, straight to the top
Have the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive

chorus

The eye of the tiger (repeats out)...

The long and winding road

The long and winding road
That leads to your door
Will never disappear
I've seen that road before
It always leads me here
Lead me to your door

The wild and windy night
That the rain washed away
Has left a pool of tears
Crying for the day
Why leave me standing here
Let me know the way

Many times I've been alone
And many times I've cried
Any way you'll never know
The many ways I've tried

But still they lead me back
To the long winding road
You left me standing here
A long long time ago
Don't leave me waiting here
Lead me to your door

But still they lead me back
To the long winding road
You left me standing here
A long long time ago
Don't leave me waiting here
Lead me to your door
Yeah, yeah, yeah, yeah

The power of love

The power of love is a curious thing
Make a one man weep, make another man sing
Change a hawk to a little white dove
More than a feeling that's the power of love

Tougher than diamonds, rich like cream
Stronger and harder than a bad girl's dream
Make a bad one good make a wrong one right
Power of love that keeps you home at night

Chorus 1 :
You don't need money, don't take fame
Don't need no credit card to ride this train
It's strong and it's sudden and it's cruel sometimes
But it might just save your life
That's the power of love
That's the power of love

First time you feel it, it might make you sad
Next time you feel it it might make you mad
But you'll be glad baby when you've found
That's the power makes the world go'round

Chorus 2 :
And it don't take money, don't take fame
Don't need no credit card to ride this train
It's strong and it's sudden it can be cruel sometimes
But it might just save your life

They say that all in love is fair
Yeah, but you don't care
But you know what to do
When it gets hold of you
And with a little help from above
You feel the power of love
You feel the power of love
Can you feel it ?
Hmmm

Chorus 3 :
It don't take money and it don't take fame
Don't need no credit card to ride this train
Tougher than diamonds and stronger than steel
You won't feel nothin' till you feel
You feel the power, just the power of love
That's the power, that's the power of love
You feel the power of love

You feel the power of love
Feel the power of love

This love

I was so high I did not recognize
The fire burning in her eyes
The chaos that controlled my mind
Whispered goodbye and she got on a plane
Never to return again
But always in my heart

This love has taken it's toll on me
She said goodbye too many times before
And her heart is breaking in front of me
I have no choice cause I won't say goodbye anymore

I tried my best to feed her appetite
Keep her coming every night
So hard to keep her satisfied
Kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave again

This love has taken it's toll on me
She said goodbye too many times before
And her heart is breaking in front of me
I have no choice cause I won't say goodbye anymore

I'll fix these broken things
Repair your broken wings
And make sure everything's alright
My pressure on her hips
Sinking my fingertips
Into every inch of you
Cause I know that's what you want me to do

Unchain my heart

Unchain my heart
Baby let me be
'Cause you don't care
Let me
Set me free

Unchain my heart
Baby let me go
Unchain my heart
'Cause you don't love me no more
Every time I call you on the phone
Some fella tells me that you're not at home
Unchain my heart
Set me free

Unchain my heart
Baby let me be
Unchain my heart
'Cause you don't care about me
You've got me sowed up like a mellow case
But you let my love go to waste
Unchain my heart
Set me free

I'm under your spell
Like a man in a trance baby
Oh but you're no doubt aware
That I don't stand a chance
Unchain my heart
Let me go my way
Unchain my heart
You are in me night and day
Why leave me to a life of misery
When you don't care about the beans for me
Unchain my heart oh please
Set me free
Alright
I'm under your spell
Just like a man in a trance oh baby
But you're no doubt aware
That I don't stand a chance
Please unchain my heart
Let me go my way
Unchain my heart
You are in my night and day
Why leave me to a life of misery
When you don't care about the beans for me
Unchain my heart
Please set me free
Oh set me free
Oh woman why don't you do that for me
You don't care
Won't you let me go
That you don't love me no more

Like a man in a trance
let me go
I'm under your spell
Like a man in a trance
And you're no doubt aware
That I don't stand a chance no
Oh
You don't care
Please set me free

It's not unusual

It's not unusual to be loved by anyone
It's not unusual to have fun with anyone
But when I see you hanging about with anyone
It's not unusual to see me cry,
Oh I wanna' die

It's not unusual to go out at any time
But when I see you out and about it's such a crime
If you should ever want to be loved by anyone,
It's not unusual it happens every day no matter what you say
You find it happens all the time
Love will never do what you want it to
Why can't this crazy love be mine

It's not unusual, to be mad with anyone
It's not unusual, to be sad with anyone
But if I ever find that you've changed at anytime
It's not unusual to find out that I'm in love with you
Whoa-oh-oh-oh-oh

Walking by myself

You know I love you.
You know it's true.
Give you all my love, babe.
What more can I do?

Walking by myself,
I hope you'll understand.
I just want to be your lovin' man.

I love ya, yes I love you
with my heart and soul.
I wouldn't mistreat you
for my weight in gold.

You know I love you.
You know it's true.
Give you all my love, babe.
What more can I do?

Walking by myself,
I hope you'll understand.
I just want to be your lovin' man.

Here we go!
Keep on walkin'!

You know I love you.
You know it's true.
I give you all my --, babe.
What more can I do?

I'm walking by myself,
I hope you'll understand.
I just want to be your lovin' man.

I said I'm walking by myself,
I hope you'll understand.
I just want to be your lovin',
I just want to be your lovin',
I just want to be your lovin' man.
That's right.

YMCA

Young man, there's no need to feel down.
I said, young man, pick yourself off the ground.
I said, young man, 'cause you're in a new town
There's no need to be unhappy.

Young man, there's a place you can go.
I said, young man, when you're short on your dough.
You can stay there, and I'm sure you will find
Many ways to have a good time.

It's fun to stay at the y-m-c-a.
It's fun to stay at the y-m-c-a.

They have everything for you men to enjoy,
You can hang out with all the boys ...

It's fun to stay at the y-m-c-a.
It's fun to stay at the y-m-c-a.

You can get yourself cleaned, you can have a good meal,
You can do whatever you feel ...

Young man, are you listening to me?
I said, young man, what do you want to be?
I said, young man, you can make real your dreams.
But you got to know this one thing!

No man does it all by himself.
I said, young man, put your pride on the shelf,
And just go there, to the y.m.c.a.
I'm sure they can help you today.

It's fun to stay at the y-m-c-a.
It's fun to stay at the y-m-c-a.

They have everything for you men to enjoy,
You can hang out with all the boys ...

It's fun to stay at the y-m-c-a.
It's fun to stay at the y-m-c-a.

You can get yourself cleaned, you can have a good meal,
You can do whatever you feel ...

Young man, I was once in your shoes.
I said, I was down and out with the blues.
I felt no man cared if I were alive.
I felt the whole world was so tight ...

That's when someone came up to me,
And said, young man, take a walk up the street.
There's a place there called the y.m.c.a.
They can start you back on your way.

It's fun to stay at the y-m-c-a.
It's fun to stay at the y-m-c-a.

They have everything for you men to enjoy,
You can hang out with all the boys ...

Y-m-c-a ... you'll find it at the y-m-c-a.

Young man, young man, there's no need to feel down.
Young man, young man, get yourself off the ground.

Y-m-c-a ... you'll find it at the y-m-c-a.

Young man, young man, there's no need to feel down.
Young man, young man, get yourself off the ground.

Y-m-c-a ... just go to the y-m-c-a.

Young man, young man, are you listening to me?
Young man, young man, what do you wanna be?

You can leave you hat on

Baby take off your coat
Real slow
Take off your shoes
I'll take off your shoes
Baby take off your dress
Yes, yes, yes

You can leave your hat on
You can leave your hat on
You can leave your hat on

Go over there, turn on the light
Hey, all the lights
Come over here, stand on that chair
Yeah, that's right
Raise your arms up in the air
Now shake 'em
You give me reason to live
You give me reason to live
You give me reason to live
You give me reason to live

Sweet darling, (you can leave your hat on)
You can leave your hat on
Baby, (you can leave your hat on)
You can leave your hat on
(You can leave your hat on)

(You can leave your hat on)

Suspicious minds are talkin'
They're tryin' to tear us apart
They don't believe in this love of mine
They don't know what love is

They don't know what love is
They don't know what love is
They don't know what love is
Yeah, I know what love is

There ain't no way
(You can leave your hat on)
You can leave your hat on
(You can leave your hat on)
Give me the reason to live
(You can leave your hat on)
You can leave your hat on

You can't stop the music

Everyone you meet, the children in the street
are swayin' to the rhythm, there's somethin' movin' in them.
There's no place to hide, so, why even try?
Can't you hear it coming your way, it's here to stay.
Music in our walk, music when we talk.
It's really something magic, to lose it would be tragic.
Can't you feel the sound movin' through the ground?
Music makes the world go around.

You can't stop the music, nobody can stop the music.
Take the cold from snow, tell the trees, don't grow,
tell the wind, don't blow, 'cause it's easier.
No, you can't stop the music, nobody can stop the music.
Take the spark from love, make the rain fall up
'cause that's easier to do.

Movin' with the wind since the world began,
the beat is gonna getcha, beat is gonna getcha.
Music for the blues, for your dancin' shoes,
there's music in the way that we kiss, you can't resist.
Movin' through the trees, buzzin' with the bees,
the sound is gettin' louder, sound is gettin' louder.
Music when we play, when we kneel to pray.
There's music in the sound of the wind.

You can't stop the music, nobody can stop the music.
Take the heat from flame, try not feeling pain,
though you try in vain it's much easier.
No, you can't stop the music, nobody can stop the music.
Change the master plan, take the hope from man
'cause that's easier to do.

On the radio, on every TV show
for each and every reason, each and every season.
Music when we love for the moon above,
music for the show of life that never ends.
Music on a plane, music on a train,
sailing in the ocean, music in the motion.
Music in your car, at your local bar.
There's music when you look at a star.

You can't stop the music, nobody can stop the music.
Take the heat from flame, try not feeling pain,
though you try in vain it's much easier.
No, you can't stop the music, nobody can stop the music.
Change the master plan, take the hope from man
'cause that's easier to do.

You can't stop the music, nobody can stop the music.
Take the heat from flame, try not feeling pain,
though you try in vain it's much easier.
No, you can't stop the music, nobody can stop the music.
Change the master plan, take the hope from man
'cause that's easier to do.

You give love a bad name

An angels smile is what you sell
You promise me heaven, then put me through hell
Chains of love got a hold on me
When passions a prison, you cant break free

Youre a loaded gun
Theres nowhere to run
No one can save me
The damage is done

Chorus:
Shot through the heart
And youre to blame
You give love a bad name
I play my part and you play your game
You give love a bad name
You give love a bad name

Paint your smile on your lips
Blood red nails on your fingertips
A school boys dream, you act so shy
Your very first kiss was your first kiss goodbye

Youre a loaded gun
Theres nowhere to run
No one can save me
The damage is done

Chorus

You really got me

Girl, you really got me goin
You got me so I dont know what Im doin
Yeah, you really got me now
You got me so I cant sleep at night
