

You give love a bad name

An angels smile is what you sell
You promise me heaven, then put me through hell
Chains of love got a hold on me
When passions a prison, you cant break free

Youre a loaded gun
Theres nowhere to run
No one can save me
The damage is done

Chorus:
Shot through the heart
And youre to blame
You give love a bad name
I play my part and you play your game
You give love a bad name
You give love a bad name

Paint your smile on your lips
Blood red nails on your fingertips
A school boys dream, you act so shy
Your very first kiss was your first kiss goodbye

Youre a loaded gun
Theres nowhere to run
No one can save me
The damage is done

Chorus
